The ASBIS logo is rendered in a large, bold, white sans-serif font. A registered trademark symbol (®) is positioned at the top right of the 'S'.

ASBIS®

SUCCESS THROUGH FOCUS

An abstract graphic on the left side of the slide features a smartphone at the base. From the screen, a series of colorful, semi-transparent rectangular planes (in shades of blue, green, yellow, and red) float upwards. These planes are populated with various white icons representing business and technology concepts, such as a laptop, a smartphone, a Wi-Fi signal, a mail envelope, a speech bubble, a group of people, and a magnifying glass. Dotted lines connect these icons across the planes, creating a sense of a digital network or data flow.
